Face Recognition Based Attendance System is The New Thing

Being watched and/or monitored is a legitimate fear for many people. This is why facial recognition is slow to be accepted and welcomed in many industries.

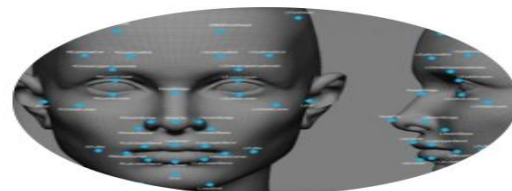

Benefits of Facial Recognition Time Tracking Solutions

Automated time tracking system . Labor cost savings. Tighter security . Time saving and reduced contagion . Ease of integration

Facial recognition – fascinating and intriguing

Few biometric technologies are sparking the imagination quite like face recognition. Equally, its arrival has prompted profound concerns and surprising reactions in 2019. But more about that later. In this dossier, you'll discover the seven face recognition facts and trends set to shape the landscape in 2020.
